Help us to Help!

Your shifts

During your stay with us you will get to know the various aspects and areas of our work and animal welfare in general. As a volunteer you will support us both within the clinic and in our field work.

We follow a weekly rotation principle from the shifts listed below. The shifts will be determined on site according to the length of your stay, the number of volunteers and the current patients.

Please note that this overview is for orientation purposes only. We are an emergency clinic and changes may occur at short notice.
