

Your options of accomodation during your animal welfare holiday

You can chose between two types of accomodation during your DCC animal welfare vacation.

TYPE 1: Our Volunteerhouse

Our volunteer house is only a short walk from the clinic and has two fully furnished apartments. Both apartments have a fully equipped kitchen, a modern bathroom with warm water, a bedroom with king size bed, A/C and a well-maintained private garden inviting you to relax in a very peaceful environment. Both apartments share a washing machine. There is Wifi and we provide towels and bed linen. A weekly cleaning is included in the package price.

The front apartment also offers a second sleeping facility in the living area which is very suitable if you are a group of three people.

The property is home to six DCC dogs, separated into two packs. They are always happy for cuddles and dog goodies by our holiday-makers.

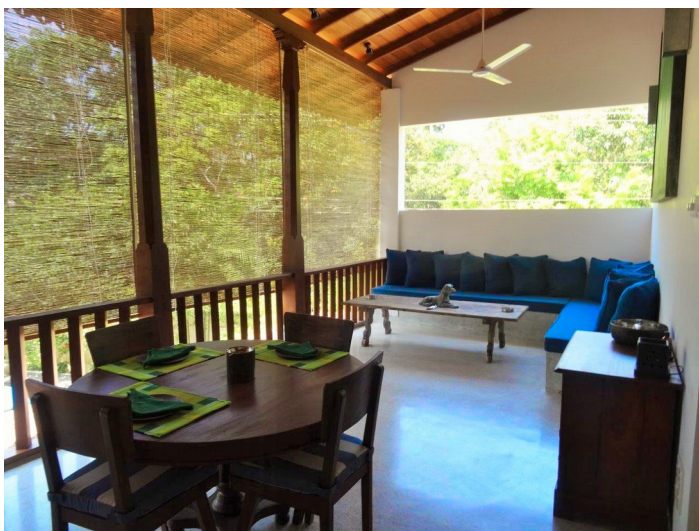

A 3-week stay in one of the 2-person-apartments is available for € 499,00 (sponsors pay € 400,00) + € 80,00 service fee.

For prices for a shorter or longer period please contact info@dogcare-clinic.com

TYPE 2: Das DCC Penthouse Apartment

Our neighbouring modern DCC Penthouse Apartment is a luxurious holiday home leaving no wish unfulfilled.

Here you can enjoy your animal welfare holiday on spacious 115m² surrounded by the lush green vegetation of Sri Lanka. The Penthouse Apartment has two bedrooms (1 x double, 1 x twin) of which each has a private bathroom. The bathrooms have a beautiful open-air shower (hot water). The highlight of the apartment is the very spacious open living area and lounge with an adjoining modern and fully-equipped kitchen.

The rooms have A/C and you have Wifi access in the whole building. Bed linen and towels are changed twice a week and the rooms are cleaned daily.

The DCC Penthouse Apartment is strategically located with the clinic, the beach and shops all being in walking distance. The neighbouring tourist beach Unawatuna offers a great choice of restaurants and sights like the famous Galle Fort and idyllic tea plantations can be easily reached by tuktuk.
